

Company: Masters of Barricades LLC.

Position: Safety Practitioner

Location: Las Vegas NV

Job Type: Full time, with on-call opportunity Thursday through Sunday

About Us: Masters of Barricades (MOB traffic) is the largest privately owned traffic control, special event, pedestrian management, and barricade provider in the region. We provide superior responsiveness and world-class customer service in the Las Vegas metropolitan area and across a growing regional service territory. Among traffic control companies, our products and services are supported by local labor, hands-on ownership, and long-term relationships.

Job Description: As a Safety Practitioner, you will be responsible for developing, implementing, and overseeing safety programs and policies to ensure compliance with local, state, and federal regulations. You will work closely with various teams to promote a culture of safety and continuous improvement.

- Conduct regular safety inspections and audits of the workplace.
- Develop and deliver safety training programs to employees.
- Assist in on-boarding new employees.
- Investigate workplace incidents and accidents; prepare detailed reports and recommendations for corrective actions.
- Ensure compliance with safety regulations and standards.
- Review and update safety policies and procedures as necessary.
- Collaborate with management and teams to identify safety risks and implement mitigation strategies.
- Maintain accurate records and documentation related to safety programs and incidents.
- Act as a resource for employees on safety-related concerns and practices.
- Assist with development of vehicle tracking systems.
- Assist with technology advancement in all areas of the company.

Qualifications:

- Strong knowledge of safety regulations and best practices.
- Excellent communication and interpersonal skills.
- Ability to work independently and as part of a team.
- Experienced in document creation and formatting using Microsoft Word, Excel and PowerPoint.
- OSHA 30 Certification in Occupational Health and Safety
- Clean driving record.
- Experience in a safety role, preferably in Temporary Traffic Control (Not Required, possibly train someone looking to explore Safety)

What We Offer:

- Competitive salary and benefits package.
- Opportunities for professional development and continuing education.
- A collaborative and supportive work environment.

How to Apply: Interested candidates should submit their resume and a cover letter detailing their relevant experience to Info@mob-traffic.com include Name, and the word Safety in the subject line.
